

Asbestos Awareness

Course Aim

To provide delegates with the knowledge to be able to recognise asbestos, and safety deal with it if encountered.

Who Should Attend

Anyone whose job involved the possibility of encountering asbestos e.g. plumbers, electricians, carpenters, painters, caretakers, roofers, shop fitters, telecoms engineers, computer engineers, building surveyors, construction workers, heating and ventilation engineers etc.

Course Duration

1/2 Day

Course Content

- What is asbestos?
- Health hazards of asbestos
- Asbestos in buildings
- Asbestos legislation
- Asbestos waste
- Emergency procedures

Certification

Delegates will be awarded a certificate of attendance on successful completion of assessment.

Location

The course is normally held on client's premises, and delivered specifically for their employees. If required, the course can be held on **Phoenix Health & Safety** premises at an additional cost. *Travel and accommodation costs may be charged additionally if the location is outside England or Wales.*

Price

£495 + VAT

for a maximum of 15 delegates.
