

Display Screen Equipment Assessors

Course Aim

To equip delegates with the knowledge and skills to be able to carry out display screen equipment assessments effectively.

Who Should Attend

Anyone required to use display screen equipment assessments.

Course Duration

1 Day

Course Content

- Reasons for managing health and safety – moral, economic and legal
- Legal requirements for display screen equipment risk assessment
- Adverse health effects from working with display screen equipment
- Setting up a workstation, keying in, using a mouse and reading the screen
- Posture and breaks
- Risk assessment and workstation assessment
- Control measures

Certification

Delegates will be awarded a certificate of attendance on successful completion of assessment.

Location

The course is normally held on client's premises, and delivered specifically for their employees. If required, the course can be held on **Phoenix Health & Safety** premises at an additional cost. *Travel and accommodation costs may be charged additionally if the location is outside England or Wales.*

Price

£695 + VAT

for up to 15 delegates.
